## Application Deadlines

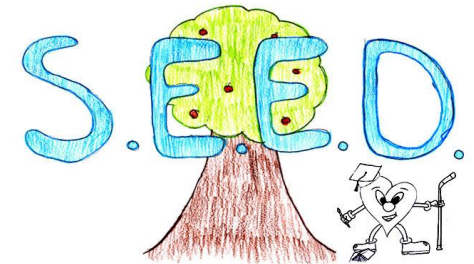

There are two deadlines for receipt of applications – October 1st and May 1st. Applications received after these deadlines will not be reviewed. Grants approved in the Spring may be used the following school year. Grant recipients have one calendar year from the time of approval in which to submit their reports and receipts.

## Reimbursement

Once you have receipts for the money spent on your particular project, send copies to Mairi Balcom along with a copy of the school's cancelled cheque. We will then reimburse the school. You have one year from the date of approval (Oct 15th or May 1st) to claim your grant reimbursement. The NSEFS Society also appreciates hearing about your successful project.

**SUPPORTING ENHANCEMENTS FOR EDUCATIONAL DIVERSITY**

## About the NSEFS

The Nova Scotia Educational Facilities Society (NSEFS) is a non-profit society that owns and leases Horton High School to the Province of Nova Scotia.

Our goal is to develop, promote and improve the educational, sporting, recreational, artistic or literary opportunities in the public schools of the Horton Community.

## NSEFS Offers SEED GRANTS (supporting enhancements for educational diversity) to Students and/or Schools to Develop or Enhance a Curricular Program

As part of our mandate, the NSEFS provides financial assistance to enable individual students and/or public schools to make use of, or establish programs that match our goals.

Grants are available in the range of \$100-\$500 for applications that benefit an individual and/or school program. Applications from public schools that support activities that benefit several individuals or groups may exceed these guidelines.

## Eligibility

Any public school in the Horton catchment area can apply for a grant on behalf of individuals and/or groups of students.

The Horton catchment includes:

- Evangeline Middle School
- Gaspereau Valley Elementary School
- Hantsport School
- Horton High School
- L. E. Shaw Elementary School
- New Minas Elementary School
- Port Williams Elementary School
- Wolfville School

If you are a Grade 12 student, grants are not designed to assist you with your post-secondary education, however, if you have the opportunity to attend a special program during the summer of your graduation year, you may apply for a grant through your school.

If your activity fits the goals of the NSEFS, we welcome the opportunity to review your application for a grant.  
(Note: funding is not available for breakfast/lunch programs)
